Compliance & Audit Defense

Protect Your Practice and Stay Compliant

At Patriot Group, we help healthcare providers defend against audits, investigations, and recoupments while building strategies that reduce future risk. Our experienced legal and compliance team works closely with providers to safeguard revenue and ensure adherence to federal and state regulations.

Focused Defense When You Need It Most

> From first audit notice to final resolution, we represent your interests with proactive, experienced support. Our goal is to minimize exposure while helping you remain fully compliant.

Our Services Include:

Audit Defense & Appeals

- Responding to payer and government audits
- Challenging recoupment demands through appeals
- Negotiating settlements to reduce liability

Compliance Oversight

- Reviewing laws, payer rules, and carrier guidance
- Delivering staff training to reduce audit exposure
- Advising on billing and documentation standards

Regulatory Representation

- Filing complaints with state and federal agencies
- Working with medical societies and advocacy groups
- Advocating on behalf of providers in payer disputes

Why Providers Choose Patriot Group

Providers trust Patriot Group because we combine deep legal experience with a practical understanding of insurance carrier behavior. We offer a performance-based fee model, meaning you only pay if we recover additional reimbursement for your practice. Our team helps providers stay compliant, reduce friction with patients, and recover what they're owed without joining a network.
