Medical Billing & Collections

Maximize Your Revenues.
Protect Your Practice.

At Patriot Group, we help healthcare providers recover what they are rightfully owed. Our legal and billing teams work side by side to support your revenue cycle, from claim submission to appeals. We focus on results, accuracy, and compliance, so your practice can focus on patient care.

Our Services Include:

Billing & Revenue Cycle Management

- Claims submission (in-network and out-of-network)
- Coding and posting
- Appeal preparation and submission
- Preauthorization support
- Patient and carrier follow-up
- Claims negotiations and arbitration resolution

Collections & Recovery

- Appealing denied and underpaid claims
- Coordinating with patients and carriers on outstanding balances
- Verifying that payments match Health Plan Documents
- Identifying trends and analyzing underpayment patterns

Why Providers Choose Patriot Group

Many providers miss revenue due to denied claims, plan misinterpretations, and lack of legal oversight. With Patriot Group, you gain a legal and strategic advantage against insurance companies that delay or deny what you're owed. Our team, led by healthcare attorney Thomas J. Force, Esq., works relentlessly to ensure that your receivables are maximized—no matter how complex the case.
